Step 3 Pairing successfully

The LED indicator on the speaker will shine blue once the device is paired followed by a beep. The device is now paired and you can start enjoying your SOUNDCUBE

5

TWS (TRUE WIRELESS STEREO) PAIRING

TWS PAIRING INSTRUCTIONS

Turn on the two speakers, the blue LED indicators will begin to flash. Shortpress the "+/-" on one of the speakers to enter TWS pairing mode. An indicating sound will play and the blue LED indicator light will begin to blink. After 1-2 seconds, the speakers will automatically pair. Once paired, an alert tone will play and the blue LED light will stay on. Once TWS pairing is complete, open up the Bluetooth settings on your device and select "SOUNDCUBE" from the list of devices. This will pair the speakers to your device at the same time. Short press the "+/-" on either speaker to disconnect the TWS pairing. The blue LED indicator will turn off once disconnected.

NOTE: For TWS pairing, connect the two speakers together first, then connect to your smartphone / Bluetooth device.

FREQUENTLY ASKED QUESTIONS

Q: What kind of charger should I use for the speaker?

A: All common USB to USB micro chargers can be used, we recommend chargers above 5V/0.5A.

Q: What if there is static or a distortion of sound while playing?

A: The speaker can be normally used up to 10m with no obstruction. If it is over 10m or with an obstruction, there might be noise or discontinuous sound.

Q: Why does the speaker shut down automatically when it is on?

A: When there is no bluetooth device paired for 10 minutes, the speaker will automatically shut down to reduce power consumption.

Q: The speaker cannot connect the once-paired cellphone.

A: First, forget the device from the cellphone's Bluetooth list and then short press the power button twice quickly to restart pairing

Q: The speaker cannot be turned on in a normal situation.

A: Please charge the speaker and try in a few minutes.

*This speaker supports mobile phones, tablets, PC, etc. Images and steps provided are based on a mobile phone experience.
