

The VisionTek USB-C to HDMI 2.0 two meter (6 foot) active cable allows you to connect your favorite USB-C or Thunderbolt 3 device to your HDMI display or projector. This active cable works without any additional power or drivers. Watch movies in perfect 4K clarity or tackle your most demanding software applications across multiple displays. The 2 meter (6 foot) cable allows ample length so you can configure your desk or presentation setup however you wish.

VisionTek Display adapters offer a quick solution for your display needs. Our adapters work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our adapters are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our adapters. Each VisionTek adapter has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.

Our USB-C display adapters are compatible with all systems with DisplayPort over Type-C. All systems with Thunderbolt 3 support DisplayPort over USB Type-C. Type-C ports may or may not support display outputs. Please consult your computer manufacturer for number of monitors and resolutions supported.

Key Features

- Supports resolutions up to 4K UHD 3840 x 2160 @ 60Hz.
- Connect your USB-C device to an HDMI display, TV or projector.
- Thunderbolt™ 3 compatible.
